

# Socket outlet

Socket outlet, Impressivo, Schuko, 2-gang, shuttered, screwless terminals, corner installation, white matt

**Type:** 402EE-884

**Product ID:** 2TKA00004834

**GTIN:** 6438199009100

There are terminals for each contact of the socket outlet for max 4 rigid wires. No X-terminals.

## Technical specification

### Electrical quantities

|                  |       |
|------------------|-------|
| Nominal current: | 16 A  |
| Nominal voltage: | 250 V |

### Classification

|                                         |      |
|-----------------------------------------|------|
| Suitable for degree of protection (IP): | IP21 |
|-----------------------------------------|------|

### Packing

|          |      |
|----------|------|
| Package: | 1/20 |
| Unit:    | PCS  |

### ETIM Data

|               |          |
|---------------|----------|
| ETIM Version: | ETIM-9.0 |
| ETIM Class:   | EC000125 |

## Product Card

Socket outlet, Impressivo, Schuko, 2-gang, shuttered, screwless terminals, corner installation, white matt

|                                      |                              |
|--------------------------------------|------------------------------|
| Number of active pins (round):       | 2                            |
| With signal lamp:                    | No                           |
| Number of socket outlets switchable: | 1                            |
| Number of phases:                    | 1                            |
| Imprint/indication:                  | None                         |
| Connection type:                     | Push-in clamp                |
| With hinged lid:                     | No                           |
| With enhanced contact protection:    | Yes                          |
| Label space/information surface:     | No                           |
| Colour:                              | White                        |
| RAL-number (similar):                | 9016                         |
| Metallic colour:                     | No                           |
| Transparent:                         | No                           |
| Lockable:                            | No                           |
| Eject-mechanism:                     | No                           |
| Insulated mounting:                  | No                           |
| With function lighting:              | No                           |
| With orientation lighting:           | No                           |
| Over voltage protection:             | No                           |
| Fault current protection:            | No                           |
| With miniature fuse:                 | No                           |
| Special power supply:                | No special power supply      |
| Mounting method:                     | Surface mounted (plaster)    |
| Type of fastening:                   | Mounting with claw and screw |
| Material:                            | Plastic                      |
| Material quality:                    | Thermoplastic                |
| Halogen free:                        | Yes                          |
| Surface protection:                  | Lacquered                    |
| Surface finishing:                   | Matt                         |
| Anti-bacterial treatment:            | No                           |
| With loop through function:          | No                           |
| With on/off switch:                  | No                           |
| Rotated central insert:              | No                           |
| Frequency:                           | 50 Hz                        |
